

科目名	英語学特講	担当者	C. S. ラングハム	期間	通年	単位数	4
-----	-------	-----	-------------	----	----	-----	---

【科目概要】

目的	<p>Objective: To acquire a broad knowledge of linguistics through reading introductory texts and develop a set of skills to identify and solve key issues. Students should also demonstrate leadership and communication skills. By reflecting on what has been learned, students will be able to comprehend and explain their studies from a global perspective. 【日本大学教育憲章ルーブリックの該当番号】：A-2:4, A-3:4, A-6:4, A-7:4</p>		
到達目標	<p>【一般目標 (GIO)】 Students will learn basic concepts and essential terminology that will provide a stepping stone to further study in linguistics. Through reading textbooks and doing independent study, students will develop an understanding of key topics and issues in linguistics. 【行動目標 (SBOs)】 Students should understand the range of topics in the field of linguistics. Students should be able to retrieve information from the Internet on topics in linguistics that are relevant to their interests and situations. Students should be able to pick up topics of interest from the textbooks and comment on them in written and / or spoken form.</p>		
学修方略 (方法)	<p>【アクティブラーニングの有無・学修媒体等】 Focus on selected topics from the textbooks. Write short summaries of those topics selected. Do further reading and research on the topics. 【学修方略 (LS)】 Students will receive feedback and advice on format and content of their reports. Based on feedback from the teacher, students will revise and resubmit a final version of their report. Through repeated feedback and rewriting, students will improve the content of their report step by step and, in the process, develop their writing and critical thinking skills. 【学習時間】 <b>Time required</b> 45 hours per report Reading the textbook and supplementary texts - 25 hours Writing a draft of a report, first submission - 10 hours Revising the draft, submit final version - 10 hours</p>		
スケジュール	<p>Semester 1: Two reports. One to be submitted by the end of May and the other by the end of June. The final deadline is September 19th. Semester 2: Two reports. One to be submitted by the end of October and the other by the end of November. The final deadline is January 14th.</p>		
成績評価	種別	割合	評価基準
	レポート	60%	Students will be awarded points for the following aspects of their written work: organization, format, references, logic, discussion, originality and creativity.
	観察記録	40%	Students will access Manaba to take short quizzes and surveys. They will also be required to write short comments on parts of the textbook that they are particularly interested in. Points will be awarded for keeping to the deadline and regularly submitting work.
履修者への要望	<p>Although students will be reading the same textbooks, they will have the freedom to focus on topics that particularly interest them and write about those topics as a major part of their assessment. The teacher will be posting comments and advice on Manaba, so it is important for students to maintain access to the site. I look forward to working with you and helping you to achieve your learning goals.</p>

基本教材 1	
教材の概要	著者名 : Jean Aitchison 教材名 : <i>Aitchison's Linguistics, Teach Yourself</i> , (2010) ISBN 978-1-4444-10596-4 \$16.99
	Introduction to the text This book is an ideal guide to linguistics. It is a straightforward introduction that will help students to understand basic concepts, essential terminology and key issues. It contains many accessible examples, and has short summaries and lists of 'things to remember' in each section. It provides a good base for further more specialized studies.
参考図書	P. H. Mathews, <i>Linguistics: A very short introduction</i> , Oxford (2003) 1,297 Yen
履修上のポイント	Students should read the textbooks as thoroughly as possible and take notes on parts that are particularly relevant to them. As you read, please consider any topics or content areas that you would like to concentrate on when writing a report. If you have problems or want advice, please contact the teacher in charge.
レポート課題 1	Read parts 1 and 2 of the book. Pages 3 to 117. 留意点 : Refer to the textbook and take notes on subjects of interest that will be potential topics for written assignments
レポート課題 2	Read part 3 of the book. Pages 123 to 182. 留意点 : Students should refer to current journals in the field of linguistics and select 2 papers to read on a topic of interest.
